Steve Markoff

Dear Steve Markoff:

I have received your complaint (Complaint No. 1033017) of alleged hazard at LA County Dept of Water and Power 14450 W Sunset Blvd in Pacific Palisades.

After careful review, I have decided not to conduct an investigation because:

The hazard you brought to my attention does not fall within the jurisdiction of the Division of Occupational Safety and Health.

California law protects any person who makes a complaint about a workplace safety or health hazard from being treated differently, discharged or discrimination against in any manner by their employer. If you believe that you have been discriminated against because you made a complaint to the Division of Occupational Safety and Health, you may file a discrimination complaint with the nearest office of the Division of Labor Standards Enforcement (Labor Commissioner). However, you must file your complaint within six (6) months of the discriminatory action.

Thank you for your concern about workplace safety and health.

Sincerely,

A handwritten signature in black ink, appearing to read "Victor Copelan".

Victor Copelan  
Acting District Manager
